From the Christian Times.

NORTH AMERICAN IS A SUCCESS.—Among the enterprises ever so recommended in that of Messrs. A. A. Kelly & Co., which is perpetual for more than three years past, has given the most perfect satisfaction. If we judge by the extensive patronage accorded to the proprietors of the "North American Scrip," now extensively advertised in their papers, and the increasing sale of the books from their country. From the Christian Times.

Messrs. Kelly are positive that he will, in a little past, deal his "and honorable" as take stock in his enterprise.

From the Christian Journal.

The late Mrs. A. Kelley at Co., located at 706 North Dearborn street, does not remember the exact date when she was twenty years ago, she purchased books and other articles, which entitled them to valuable gifts of "Jewelry prizes." Thousands of our citizens are fortunate, and those having the best evidence of this fact are the most numerous.

Mrs. Kelley & Co. always perform all duties; that they are honorable men, and do so honorably and in the same way.

The citizens of Chicago who know A. Kelley & Co., have confidence in the firm and its products, largely because of their enterprise, and these are some of the reasons why we feel recommending Kelley & Co. a great concern.
